

The Make History in Lakewood program of the Lakewood Historical Society Preservation Committee serves to honor the homes in our community 100 years and older. We encourage

homeowners to have a party celebrating the home, purchase a plaque from the Society to adorn the house and share their celebrations and memories with the Society by using social media to post photos and tell the stories of their house or neighborhood and memories of living in Lakewood, using the hash tag #LKWDHome100. Plans are to collect these posts and create a Lakewood Century Homes scrapbook.

2017 was the first year of a continuing program of century home recognition. To keep the program manageable and to continue recognizing homes turning 100, as well as acknowledging homes that have already turned 100, the Preservation Committee will, in 2019, recognize all homes built in years ending with the number 9 and 100 or more years old, and those ending in 0 in 2020 and so on.

The Preservation Committee is grateful to the community businesses that have given their financial support to make this program possible. The following businesses are sponsors for the Program in 2017 and 2018: First Federal Lakewood, HP Group LLC, Northern Title Agency, RE/MAX Real Estate Group, State Farm Insurance, and SNJ Design Studio.
